Café Chatter

- We are working on getting into our regular 3rd grade work. We move FAST in here! 3rd grade is a BIG shift. We are finding our groove!
- Cardstock-if possible please send in a package of cardstock (not paper and not index cards). Also, students will need one more folder for their Resource folder.
- Water bottles-please make sure it has a lid and it is WATER only-no packets (we don't want stains or ants in the event of spills)
- Please be sure math practice pages come back to school each day. Only keep it when it has CW on it.
